# Radhika Bajaj

Competitive Programmer | CodeChef 4 (1812)  
Noida

## Summary

I love to solve real-world problems using data structures and optimal algorithms. I am passionate about learning new technologies. I wish to work in an organisation where I can learn from my peers and grow myself professionally.

---

## Experience

### Developer Student Clubs JSSATEN

Core Member

February 2018 - Present (2 years 7 months)

Noida, India

It is a university-based community group that helps students learn and build together. As a core member, I organised various intra and inter college events, conducted workshops and trained students on C/C++, CP and web technologies.

---

## Education

JSS ACADEMY OF TECHNICAL EDUCATION, NOIDA

Bachelor of Technology, Computer Science · (2017 - 2021)
